

COVID-19 UPDATE

3/13/2020

Dear Valued Customer:

Thank you for your past, current and future business. As you are no doubt aware, the Covid-19 virus is impacting the State of Washington in a variety of ways. Most recently, the Governor has ordered all schools closed until April 24th.

We want to assure you that we are still producing and delivering windows at a record pace. Although we may experience some short-term disruption, we are committed to continuing to provide high quality windows on time.

We are committed to operating responsibly. We are taking precautions to protect employees and customers while still functioning at a high level.

Please contact us if you have any concerns we need to address. We are happy to accept and produce your orders.

Sincerely,

The Coeur d'Alene Window Company

Mark McVay
President & Chief Operating Officer
